5. Clarity, Grammar, Punctuation and Use of Plain Language

Section Comm 130.50 (3) states that no person may file for tax benefits without the “written approval” of the department. Should this paragraph state that no person may file for tax benefits unless that person has been **certified** by the department under ch. Comm 130? As drafted, the subsection implies that written approval in addition to certification is necessary, but that does not appear to be the intent of the rule.
